

Our Esteemed Guests,

We would like to thank you for your interest in Concorde De Luxe Resort.

We take all kinds of measures for your health and in order to enable you to have a comfortable holiday.

We look forward to enable you to experience an unforgettable holiday with natural beauties, large garden and sand beach with blue flag. We continue to work in order to provide you with the comfort of your home in this process during which we have been separated due to Covid-19 pandemic.

We would like to share some of the measures we have planned to take within the scope of Covid-19 in 2020 summer season of Concorde De Luxe Resort. We constantly follow new information regarding measures against pandemic and we look forward to come together as soon as possible.

We will be involved in Healthy Tourism Certificate Program announced by Turkish Ministry of Culture and Tourism. For this, we carry out works that will be an example for the sector.

We perform controls and record by taking temperatures of all people at the entrance regardless of they are guests, employees, visitors and suppliers.

Necessary trainings have been provided to all of our employees who are in direct or indirect contact with our guests and they have gone through medical tests.

We will continue Ultra all-inclusive system. All our foods and drinks will be served to you by our employees.

We increase distance between the tables in all our restaurants and bars and we make seating arrangements in accordance with social distance.

We implement ISO 22000 Food Safety System, we perform internal and 3rd eye inspections regularly within this context.

We have Quality Management Systems Standards such as ISO 14001 Environmental, OHSAS 18001 Occupational Health and Safety, ISO 10002 Guest Satisfaction, ISO 50001 Energy Management System besides ISO 22000 Food Safety System. We receive consultancy service regarding these Standards from leading companies of the sector and we are inspected periodically.

All chemicals used in our facility are approved by Ministry of Health and we work with international chemical company.

We work meticulously for cleaning and disinfection of the rooms as usual. We make our rooms available for the use of our guests after hygiene is provided completely and being ventilated longer than usual.

We disinfect our rooms with ULV and ozone systems before making them available for the use of our guests.

We wash all our textiles in our own laundry at 80 °C and we carry them to the areas in packages until they are put into use.

We arrange distances between sunbeds on the beach and pool area in accordance with the rules. We disinfect pool and beach sunbeds after each use.

Hand sanitizers are placed in all our general areas and we give visual information for the necessity of use.

We plan all activities and entertainment by considering social distances.

We have been providing you an unforgettable holiday experience with our experienced management and employees since 2005. We miss you very much, hope to see you on healthy days as soon as possible...
